LETTER OF REPRIMAND

Dear Dr. Billings:

At its June 17, 1993 meeting, the Oregon Board of Chiropractic Examiners reviewed the complaint filed against you by

In reviewing the material submitted, the Board found that the chart notes, in the cases of patients were inadequate.

The Board determined that your action violated OAR 811-10-095(2) (b) in that the chart notes do not comply with the Practices and Utilization Guidelines as required by Administrative Rule.

A copy of this Letter of Reprimand will be placed in your permanent license file in the Board office. You are directed to conform your behavior to the requirement of Oregon law; that is to complete chart notes which meet the requirements of the Practices and Utilization Guidelines.

You have a right to a hearing to contest the Board's actions. If you desire a hearing, please notify the Board in writing within 21 days of the date of this letter.

Sincerely,

Christie Joachim  
Executive Director
