SECOND AMENDED FINAL
ORDER
(CONTINUES PROBATION
Years 2011 to 2013)

Case # 1998-1014

17 The Board of Chiropractic Examiners (Board) is the state agency responsible for
18 licensing, regulating and disciplining chiropractic physicians in the State of Oregon. Bryan Scott,
19 D.C. (Licensee), is licensed by the Board to practice as a chiropractic physician in the State of
20 Oregon. The Board has determined to continue Licensee's probation for the following reasons.
21
22

23 1.

24 On February 11, 1999, the Board served Licensee with a proposed order for revocation,
25 ten year probation, limitation on license and other conditions alleging that Licensee committed
26 violations of the Board's rule on unprofessional conduct as defined in ORS 684.100(1)(g)(A) and
27 OAR 811-035-0015(1).
28
29

30 2.

31 On March 26, 1999, a Final Order was issued which made findings of violation of ORS
32 684.100(1)(g)(A) and OAR 811-035-0015(1). That order required a stay of license revocation if
33 certain conditions of probation occurred. That order also indicated that after a minimum of 10
34 year probation, the Board may extend the probation in one or two year increments without further
35 hearing or notice if it believes it is warranted or indicated. This Order incorporates by reference
36 the findings of the March 26, 1999 Final Order.
37

38 On March 17, 2011, the Board met and reviewed this matter and updated information
39 from his treating psychologist. The Board reviewed correspondence from Licensee. The Board
40 determined the Licensee needs the continued monitoring and treatment required by the Final
41 Order. The Board voted to extend his probation an additional two years as the Order allowed.

15 The Oregon Board of Chiropractic Examiners (OBCE) is the state agency

17 of Oregon. Bryan Scott, D.C. (Licensee), is licensed by the OBCE to practice as a
18 chiropractic physician in the State of Oregon.
19

20 1.

21
22 On February 11, 1999, the Oregon Board of Chiropractic Examiners (OBCE)
23 served Bryan Scott, D.C. (Licensee), with a proposed order of revocation (stayed), ten
24 year probation, limitation on license and other conditions alleging that Licensee
25 committed violations of the Board's rule on unprofessional conduct as defined in ORS
26 684.100(1)(g)(A) and OAR 811-035-0015(1):
27

28 2.

29
30 By an Agreement dated February 26, 1999, a copy of which is attached hereto
31 and marked Attachment A, Licensee admitted the facts alleged in the Proposed Notice
32 and submitted a written statement requesting a hearing, and waiving his right to
33 appear.
34

35 3.

36
37 On March 18, 1999, during its regularly scheduled meeting, the OBCE
38 considered the allegations contained in the Proposed Notice of Reprimand, the
39 contents of the OBCE's investigative file in this matter, and Licensee's admissions and
40 statement.
41
42

1
2
3 4.
4

5 Based upon the evidence recited in paragraph 3, above, the OBCE finds by a
6 preponderance of the evidence that the allegations contained in the Proposed Notice
7 are true and constitute a violation of ORS 684.100(1)(g)(A) and OAR 811-035-0015(1),
8 to wit: engaging in sexual conduct during the year 1982 with S. F., who was between
9 eleven and twelve years old, on five or six occasions over a two month period of time.
10 Licensee used nitrous oxide to lower S.F.'s resistance and caused S.F to watch
11 sexually explicit videos. In August 1992, Licensee engaged in sexual conduct with
12 S.G., a fifteen year old, in his chiropractic office. Licensee used nitrous oxide to lower
13 S.G.'s resistance and caused S.G to watch sexually explicit videos.
14

15 5.
16

17 **DISCIPLINARY ACTION**
18

19 In light of the above, and pursuant to ORS 183.415(5), the OBCE revokes
20 Licensee's license due to the above-described violations. For the reasons that follow,
21 the OBCE stays the revocation provided Licensee fully and completely complies with
22 the conditions of probation and the permanent limitation on license:
23

- 24 a) Licensee is currently participating in a sexual offender treatment program
25 with Kelly R. Fielding, Ph.D.
26
27 b) Licensee has passed periodic polygraph tests indicating that he is not
28 currently engaging in any offending behaviors;
29
30 c) Licensee will be required to remain in treatment and be monitored for a much
31 longer period of time as a result of the conditions of this Final Order;
32
33 d) Licensee has agreed to and is currently in compliance with restrictions
34 placed upon him by Oregon State Office for Children and Families (SCF); and
35
36 e) Psychological evaluations of Licensee indicate that Licensee is not a threat
37 to his adult patient population and that his risk to reoffend is low as long as
38 Licensee adheres to the restrictions placed upon him by SCF and those required
39 by the OBCE.
40
41

1
2 6.
3

4 CONDITIONS OF PROBATION
5

6 Licensee shall remain on probation for a minimum of ten years, at which time the
7 OBCE may extend the probation in one or two year increments without further hearing
8 or notice, if it believes it is warranted or indicated. Conditions of the probation are as
9 follows:
10

11 a) Licensee must remain in treatment with Kelly R. Fielding, Ph.D., or another
12 psychologist or psychiatrist specializing in treatment of sexual offenders
13 approved by the OBCE, until such time as the treating psychologist or
14 psychiatrist and a second evaluating psychologist or psychiatrist, also approved
15 by the OBCE and with similar credentials, jointly determine that no further
16 treatment of Licensee is warranted. All therapy and reporting will be at the sole
17 cost of Licensee.
18

19 b) Licensee shall cause the treating psychologist or psychiatrist to submit
20 quarterly reports to the OBCE regarding Licensee's progress. Such reports shall
21 be submitted prior to the 15th day of the months of January, April, July, and
22 October of each year, for as long as Licensee remains in treatment. Licensee
23 waives any privilege and consents to allow contact between the treating
24 psychologist or psychiatrist and the OBCE for purposes of verifying compliance
25 with the terms and conditions of this proposed order.
26

27 c) Upon completion of treatment, Licensee must make arrangements with the
28 treating psychologist or psychiatrist which are acceptable to the OBCE for
29 continued reporting to the OBCE. The reporting must be on a quarterly basis
30 and must provide the results of polygraph or other testing approved by the
31 OBCE to provide evidence of continued non-offending behavior.
32

33 d) Licensee must continue to abide by any and all restrictions placed upon him
34 by the SCF.
35

36 e) Licensee must never be alone with a minor in his chiropractic office.
37

38 f) The OBCE or it's representative is authorized to enter Licensee's business

Licensee shall pay all costs associated with this disciplinary proceeding, including investigative costs and attorney fees pursuant to ORS 684.100(9)(g).

9.

NOTICE OF RIGHT TO HEARING

Licensee has the right, if Licensee requests, to a hearing as provided by the Administrative Procedures Act (ORS Chapter 183) before the OBCE or its hearings officer. At the hearing, Licensee may be represented by an attorney and may subpoena and cross-examine witnesses. A request for hearing must be made in writing to the OBCE, must be received by the OBCE within twenty-one (21) days from the date of mailing of this Notice (or if not mailed, the date of personal service), and must be accompanied by a written answer to all charges contained in this Notice. Upon receipt of a request for hearing, the OBCE will notify Licensee of the time and place of the hearing. If Licensee requests a hearing, Licensee will be given, prior to the commencement of the hearing, information on the procedures, right of representation, and other rights of parties relating to the conduct of the hearing as required by ORS 183.413(2).

10.

The answer shall be made in writing to the OBCE and shall include an admission or denial of each factual matter alleged in this Notice, together with a short, plain statement of each relevant affirmative defense Licensee may have. Except for good cause, factual matters alleged in this notice and not denied in the answer will be deemed admitted and any defense waived. New matters raised in the answer (affirmative defenses) are presumed to be denied by the agency and evidence shall not be taken on any issue not raised in the Notice and answer.

11.

If Licensee fails to request a hearing within 21 days, or fails to appear as scheduled at the hearing, the OBCE may issue a final order by default and impose the above sanctions upon Licensee, in addition to such costs as the OBCE deems appropriate under ORS 684.100(9). Upon default or failure to appear, any material in Licensee's file with the OBCE regarding the subject of this case automatically becomes part of the contested case record for the purpose of establishing a prima facie case.
