The investigation showed that on December 28, 2005, Licensee rendered a diagnosis and prescribed durable medical equipment for two patients at offices located at 14266 Rolling Meadows Drive, Portland, Oregon. Medical records confirmed that Licensee signed the Medical Necessity letter as the physician on December 28, 2005.

Licensee had taken the Oregon Specifics Examination on June 2, 2005 and was notified that he passed that on June 2, 2005. Licensee also took and passed the NBCE exam and was notified about passing that on December 20, 2005. In letters to Licensee it was explained to him that although he had passed the required tests, the licensure process was not complete until he paid the \$100 licensing fee to obtain his initial licensure. Licensee did not pay that fee until January 4, 2006. The initial license for Licensee was issued by the Board on January 4, 2006 and Licensee was notified of this on that date.

4.

Due to the aforementioned violations, the OBCE proposes to reprimand Licensee and require him to pay a civil penalty in the sum of \$1000 to the Board.

5.

Licensee shall pay costs of this disciplinary proceeding, including investigative costs and attorney fees pursuant to ORS 684.100(9)(g).

6.

Licensee has the right, if Licensee requests, to have a formal contested case hearing before the Office of Administrative Hearings to contest the matter set out above. At the hearing, Licensee may be represented by an attorney and subpoena and cross examine witnesses. That request for hearing must be made in writing to the OBCE, must be received by the OBCE within 30 days from the mailing of this notice (or if not mailed, the date of personal service), and must be accompanied by a written answer to the charges contained in this notice.

7.

The answer shall be made in writing to the OBCE and shall include an admission or denial of each factual matter alleged in this notice, and a short plain statement of each relevant affirmative defense Licensee may have. Except for good cause, factual matters alleged in this notice and not denied in the answer will be considered a waiver of such defense; new matters alleged in this answer (affirmative defenses) shall be presumed to be denied by the agency and evidence shall not be taken on any issue not raised in the notice and answer.

8.

If Licensee requests a hearing, before commencement of that hearing, Licensee will be given information on the procedures, rights of representation and other rights of the parties relating to the conduct of the hearing as required under ORS 183.413-415.

9.

If Licensee fails to request a hearing within 30 days, or fails to appear as scheduled at the hearing, the OBCE may issue a final order by default and impose the above sanctions against Licensee. Upon default order of the Board or failure to appear, the contents of the Board's file regarding the subject of this automatically become part of the evidentiary record of this disciplinary action upon default for the purpose of proving a prima facie case.
