In his background check, the Board found that Applicant had the following history:

Conclusions of Law

2.

The Board finds that Applicant's arrest/conviction history is concerning, specifically, as to the number of times arrested and convicted of DUI and failing to follow the laws of the state where he resides.

3.

The Board finds that the acts and conduct of Applicant in his application and responses to such, are cause to refuse to grant a certificate to Applicant. The arrest and conviction history as noted above, is a violation of OAR 811-010-0110(15)(a), (b) and OAR 811-010-0110(16)(m) unprofessional or dishonorable conduct and conviction of a misdemeanor involving moral turpitude or a felony. The Board also finds, pursuant to ORS 670.280(3), the arrest history and convictions are substantially related to the fitness and ability of the Applicant to engage in the activity for which the license is required. Pursuant to ORS 684.100(9)(g) the Board requests the costs of discipline.
