BEFORE THE BOARD OF CHIROPRACTIC EXAMINERS STATE OF OREGON

In the Matter of	)	
Timothy Goulart, D.C.	) Case # 2010-3002	
Licensee.	) ) FINAL ORDER BY 1	DEFAULT
	)	

The Oregon Board of Chiropractic Examiners (hereafter "Board" or "OBCE") is the state agency responsible for licensing, regulating and disciplining chiropractic physicians and certified chiropractic assistants in the State of Oregon. Timothy Goulart DC (hereafter "Licensee"), is currently licensed by the Board to practice as a chiropractic physician in Oregon.

#### Findings of Fact

1.

A complaint was filed regarding Licensee's radio advertising where Licensee did not identify himself as a chiropractor or chiropractic physician.

2.

There were both radio and fliers to advertise the event. The advertisement was for a ladies night of indulgence to benefit a non profit cause. The advertisement said that the ladies could get spoiled for an evening and should bring non perishable canned food as a donation. It also stated that they could shop, get manicures, facials and make up advice. It offered complimentary posture evaluations and free exercise advice with neck and shoulder massages as well. In the advertisement it stated that "the event is sponsored by Dr. Timothy Goulart." The flyer also stated that they should RSVP to a certain e mail address.

3.

Licensee has failed to identify his profession on this advertisement in both oral or written formats. By referring to himself as Dr. Timothy Goulart, Licensee is not fulfilling the requirements of the Oregon Doctor's Title Act which requires use of the terms, "chiropractor,", "chiropractic physician," or presumably "chiropractic" in reference to a clinic in connection with all advertising. It also violated OAR 811-015-0045(2) and (3). This is in violation of the Oregon Doctors' Title Act, ORS, 676.110, and OAR 811-015-0045 (3) which says, "A Chiropractic physician shall adhere to the Doctors' Title Act, ORS 676.110(2)."

On March 25, 2010, the Proposed Notice of Discipline was served on Licensee via certified mail. By confirmation of the certified mail, Licensee signed for receipt of this on March 29, 2010. On April 15, 2010, Licensee confirmed via a telephone conversation with the Board that he was not contesting the Proposed Notice having already paid the \$500 penalty. In the Proposed Notice, the Board stated that they would rely on the record herein for purposes of default if a hearing request was not filed. To date, Licensee has failed to timely request a hearing.

The answer shall be made in writing to the OBCE and shall include an admission or denial of each factual matter alleged in this notice, and a short plain statement of each relevant affirmative defense Licensee may have. Except for good cause, factual matters alleged in this notice and not denied in the answer will be considered a waiver of such defense; new matters alleged in this answer (affirmative defenses) shall be presumed to be denied by the agency and evidence shall not be taken on any issue not raised in the notice and answer.

8.

If Licensee requests a hearing, before commencement of that hearing, Licensee will be given information on the procedures, rights of representation and other rights of the parties relating to the conduct of the hearing as required under ORS 183.413-415.

9.

If Licensee fails to request a hearing within 30 days, or fails to appear as scheduled at the hearing, the OBCE may issue a final order by default and impose the above sanctions against Licensee. Upon default order of the Board or failure to appear, the contents of the Board's file regarding the subject of this automatically become part of the evidentiary record of this disciplinary action upon default for the purpose of proving a prima facie case.
