12

13 The Board of Chiropractic Examiners (Board) is the state agency responsible for
14 licensing, regulating and disciplining chiropractic physicians in the State of Oregon. Samantha
15 Kennedy (Licensee), is licensed by the Board to practice as a certified chiropractic assistant
16 (CCA) in the State of Oregon. She was employed as a certified chiropractic assistant by Gail Ott
17 DC, a Portland chiropractic physician.
18

19 Summary of Facts

20 1.

21 The Board received a complaint regarding a certified chiropractic assistant that was
22 working for Dr. Ott performing illegal massage services to clients who were not patients at Dr.
23 Ott's clinic.
24

25 2.

26 The Oregon Board of Massage Therapists was investigating this matter and sent an
27 investigator to Dr. Ott's chiropractic clinic on December 2, 2005. The investigator received a
28 massage from Licensee, Samantha Kennedy, CCA, without first being provided a chiropractic
29 examination. When the massage occurred, no chiropractor was not on site that day and Dr. Ott
30 was informed by his staff later of the violation. Ms. Kennedy does not hold a valid massage
31 license.
32

33 3.

34 The Peer Review Committee reviewed this matter along with records from the Oregon
35 Board of Massage Therapists and scheduling records, payroll, and other information provided by
36 Dr. Ott through the OBMT. The Peer Review Committee found that Ms. Kennedy did perform a
37 massage without having a chiropractic physician present and without a massage therapy license
38 on an OBMT investigator who was posing as a client in Dr. Ott's clinic. During the
39 investigation, Samantha Kennedy admitted to four instances where she provided massage
40 without the supervision and the on site presence of a chiropractic physician.

**BEFORE THE
BOARD OF CHIROPRACTIC EXAMINERS
STATE OF OREGON**

In the Matter of)
Samantha Kennedy, C.A.) **NOTICE OF PROPOSED
DISCIPLINARY ACTION**
Licensee.) **Case # 05-5011**

The Board of Chiropractic Examiners (Board) is the state agency responsible for licensing, regulating and disciplining chiropractic physicians in the State of Oregon. Samantha Kennedy (Licensee), is licensed by the Board to practice as a certified chiropractic assistant (CCA) in the State of Oregon. She was employed as a certified chiropractic assistant by Gail Ott DC, a Portland chiropractic physician.

1.

The Board received a complaint regarding a certified chiropractic assistant that was working for Licensee performing illegal massage services to clients who were not patients of Licensee.

2.

The Oregon Board of Massage Therapists was investigating this matter and sent an investigator to Dr. Ott's chiropractic clinic on December 2, 2005. The investigator received a massage from Licensee, Samantha Kennedy, CCA, without first being provided a chiropractic examination by Dr. Ott. When the massage occurred, Dr. Ott was not on site that day and was informed by his staff later of the violation. Ms. Kennedy does not hold a valid massage license.

3.

The Peer Review Committee reviewed this matter along with records from the Oregon Board of Massage Therapists and scheduling records, payroll, and other information provided by Dr. Ott through the OBMT. The Peer Review Committee found that Ms. Kennedy did perform a massage without having a chiropractic physician present and without a massage therapy license on an OBMT investigator who was posing as a client in Licensee's clinic. During the investigation, Samantha Kennedy admitted to four instances where she provided massage without the supervision and the on site presence of a chiropractic physician.

4.

In the records reviewed, the clinic calendars show times when patients were scheduled to see Ms. Kennedy when the clinic doctors were not scheduled.

5.

The Board finds that conduct described above is a violation of OAR 811-010-0110 (6) and (15) and ORS 684.100(1)(g)(A) in that Licensee failed to practice within her scope as a certified chiropractic assistant and performed several unsupervised massages, which was practicing massage without a license. That rule requires "the service of the Certified Chiropractic Assistant shall be directly supervised by the chiropractor at all times. The supervising chiropractor must be on the premises."

6.

Due to the aforementioned violations, the OBCE proposes to issue a Letter of Reprimand to Licensee. She must also pay a civil penalty in the sum of \$250 to the Board due and payable within 30 days.

7.

Licensee shall pay costs of this disciplinary proceeding, including investigative costs and attorney fees pursuant to ORS 684.100(9)(g).

8.

Licensee has the right, if Licensee requests, to have a formal contested case hearing before the Office of Administrative Hearings to contest the matter set out above. At the hearing, Licensee may be represented by an attorney and subpoena and cross examine witnesses. That request for hearing must be made in writing to the OBCE, must be received by the OBCE within 30 days from the mailing of this notice (or if not mailed, the date of personal service), and must be accompanied by a written answer to the charges contained in this notice.

9.

The answer shall be made in writing to the OBCE and shall include an admission or denial of each factual matter alleged in this notice, and a short plain statement of each relevant affirmative defense Licensee may have. Except for good cause, factual matters alleged in this notice and not denied in the answer will be considered a waiver of such defense; new matters alleged in this answer (affirmative defenses) shall be presumed to be denied by the agency and evidence shall not be taken on any issue not raised in the notice and answer.

10.

If Licensee requests a hearing, before commencement of that hearing, Licensee will be given information on the procedures, rights of representation and other rights of the parties relating to the conduct of the hearing as required under ORS 183.413-415.

11.

If Licensee fails to request a hearing within 30 days, or fails to appear as scheduled at the hearing, the OBCE may issue a final order by default and impose the above sanctions against Licensee. Upon default order of the Board or failure to appear, the contents of the Board's file regarding the subject of this automatically become part of the evidentiary record of this disciplinary action upon default for the purpose of proving a prima facie case.

DATED this 28th day of September 2006.
