)

The Oregon Board of Chiropractic Examiners (hereafter “Board” or “OBCE”) is the state agency responsible for licensing, regulating and disciplining chiropractic physicians and certified chiropractic assistants in the State of Oregon. Sandy Lee Santee (hereafter “CCA applicant”), applied for a license as a certified chiropractic assistant in Oregon. The Board proposes to deny the certificate of the above applicant on the following basis:

Findings of Fact

1.

On September 23, 2014, the OBCE received CCA’s application for a certificate to practice as a certified chiropractic assistant in Oregon. On question five of the application where Applicant was asked if she had ever been arrested or charged with a violation, misdemeanor or felony, Applicant responded no.

2.

On question 7 of the application where it asks if they have ever been convicted of, pled guilty, or no contest to any offense, misdemeanor or felony which could have resulted in imprisonment, Applicant responded no.

3.

Board staff followed up and found that Applicant had been arrested and charged for a DUI in 2012 which was diverted and had been arrested and charged for a second DUI in September 2013. The 2013 charge for DUI resulted in a conviction in case number CR 1312826 in Clackamas County Court.

Applicant was not truthful in her answers to questions 5 and 7 in her application. Applicant later provided explanations as to her DUI arrests/convictions. She indicated she thought the diverted DUI from 2012 would not show up on her background. She did not provide a reason as to why she did not divulge the 2013 arrest and conviction.
