Subject: Letter of Reprimand

The Board finds that you billed an insurance company for laboratory tests using another chiropractor's name. You did not obtain permission to use the chiropractor's name prior to submitting the bill. This is a violation of ORS 684.100 (1) (a) and (c).

The Board expects that all licensed professionals obey the statutes and administrative rules.

You have shown poor professional judgment in the above actions. The Board does not condone this behavior and will insert this letter of reprimand into your permanent record.

Your record will now show that you have been sanctioned for poor professional judgment. The Board sincerely hopes that you will not repeat this in the future.

Sincerely,

Dave McTeague
